## CURRICULUM VITAE

### at a glance

I consider myself as a very outgoing, committed, innovative, independent and humorous person. I'm a tidy person with a good track of things, and I work very well with time limits.

### jobs

Since 2004 I have worked freelance for various companies. The past three years designing freelance, has given me experience working international especially with the far east, where many of my designs have been produced.

From 2002-2003 I worked as a buyer and designer for Heal & Son, a 5 store retailer in the UK.

I was responsible for buying and developing exclusive products from initial sketch to sourcing, negotiating and to product training for the shop staff.

From 2000-2002 I worked as an Industrial Designer at Hammel Furniture.

I was responsible for all product development of veneer furniture, such as wall units, bedroom furniture and dining furniture. Furthermore I was involved in most graphic work from initial concept through to final product.

### education

2000 Industrial Designer MAA, Aarhus school of Architecture DK.  
1998 One semester at Wellington Polytechnic in New Zealand.  
1998 Internship for 3 months at Danfoss, Nordborg DK.  
1992 Graduated from High School, Aabenraa Gymnasium og HF DK.

### of note

In 2005 I received a mark of honour by Erik Jørgensen's møbelfabrik for the design "Bull's Eye"  
In 2001 I was awarded with a Design Prize for Xplore by Domus. (A Spanish Furniture company)
